September 2023

Dear Parents and Carers,

Welcome to Year 6 at Braunston School; we hope that you all have had a good summer and that both you and your child are looking forward to the year ahead. We certainly are! Mrs Carter will be teaching on a Monday and Tuesday and Mrs Sawyer on Wednesday, Thursday and Friday. The Year 6 Learning Assistants will be Mrs Pateman at the start of the week and Mrs Maxwell for the second half. We also have Mrs Phipps joining us for French lessons.

P.E will be on Monday and Friday; the children will need to come to school in their school PE kits on these days, wearing a school jumper. The children need to continue to have a water bottle in school that can be refilled on a daily basis. Even during the colder months, it is important that the children keep hydrated throughout the day. A healthy snack (no nuts) can be brought into school to be eaten at break time. Your child will be heard reading in school from their school scheme reader; it is also essential that they are reading this book at home for 10-15 minutes daily. Your comments are welcomed and encouraged in their reading records.

We will continue to use SpellingShed to set spelling pattern/rule exploration; their user names and passwords remain the same. Each week, your child will receive spellings to practise, grammar and punctuation and maths homework to complete in their homework book. The homework book must be returned to school on a Tuesday and will come back home, marked and replenished with new work on a Thursday. We will have a spelling test every Wednesday to check your child's progress. We are striving for children to become confident spellers who apply their knowledge into all areas of writing.

We look forward to seeing you at the parent information meeting on Thursday 21st September at 5:30pm.

Kind regards, Year 6 team
